...And Met

FOREWORD

Club meetings every Thursday . . . the voices in the classrooms . . . the rushing and eagerness in the halls . . . the red and white jerseys, the cheering crowds . . . things to do, places to go

Every moment brings us pleasure in our school life.

To preserve these precious memories, the Seniors have prepared the 1965 CHIEFTAIN to show the many faces and parts of Bethel High.

EDICATION

As an expression of our appreciation, the Senior Class of 1965 bestows its greatest honor to Mr. Jimmy Fornes for being our teacher, our friend, and most of all--our beloved coach. The students of Bethel High School express their thanks for his three years of dedicated work as a physical education teacher and coach of the famed Bethel Indians.

As a teacher he was determined to make us strive for the best. Although sometimes discouraged we were able, with his help, to strive for higher goals. He was always there with a helping hand and a word of encouragement.

As our coach he has brought us through many victories and some defeats with grace and dignity.

His personality has influenced every student with whom he has been associated. Therefore, with love and admiration we dedicate our yearbook, *THE CHIEFTAIN*, to Mr. Jimmy Fornes.

THE END

Dear Lou,

It's been a year of years with you.
We have really had a good time in the
room. Mrs. Wall messed us up a few
times but it always worked out fine.
Hope to see you along for a long
time to come.

Your friend
Hilton

Lou,
you are an angel aren't you??? (Ha! Ha!)
You are a really wonderful classmate
and a good friend. I have really enjoyed
being with you this year. Hope to see
you for the next 4 years.

your friend,
Don

Lou,
It's been wonderful talking over what happened
on Peyton Place, every Tuesday & Thursday
night. It's been swell having you as a
friend & I hope you'll continue to be
one.

Love Ya!

Debbie M.

Lou,

How in the world can words describe you???
We have had a wonderful time together in the
past years and hope to in the years to come.
It is a pleasure to be around such a sweet
person as you. One very remarkable thing
about you is that you can take jokes on
yourself without getting mad. Just keep your
fine personality and you will go a long,
long way in the world.

Love Ya,
Norma

(CRAZY)
Lou,

I don't exactly know what to
say but here it is:

You've been such a great
friend this year and I've enjoyed
you so much.

Please stay as you are
and you will get much out
of life.

Or,
B E Z Z Y

Sou,

Words just can't describe such a sweet girl like you. You have been one of the dearest & sweetest friends I know. I have really enjoyed sitting beside you & talking to you. We have really had some fun together.

I hope you have the best of luck in the future. Good luck to a wonderful girl.

Love ya,
Sue

Sou,

You are the sweetest most wonderful girl I know, of course except for me. You've got the best personality of the room. You would do anything for anybody. I've enjoyed being with you these fine years. I'm sure you will be a great big success. You're the greatest.

for you

04,
It's been just great being in the same room with you
these past 8 years & seeing you get so hysterical.
You are one of the most friendliest persons I
know. Hope we can finish school together.

Good Luck

Teresa

Gov,
It's been just great being in the
room, with you this year just as it has the past 7 years.
The room wouldn't be the same without a
Gov in the room. You have one of the
best personalities of anyone I know. I hope
to continue school with you for these next
4 years.

Ben

Hi,
I have enjoyed every moment since I have
been in your room. You have been a great
friend and hope you will always be.
Tim Manning

How
it's been nice
being in your room
I hope we can finish school
together. You a great friend to have.

Love ya
me-Stacie

Dear,

It has been so enjoyable being
in the same room with you these past
years. The room so much of love is never
you lived and brighten up the room so much
a still moment with you. I sure everyone feels
that with you around school is not such a drag.
Douglas Dunning
